Country reports (since 1996):

These reports are resulting from direct COHRED-country collaboration (i.e. through technical and/or financial support provided), or from ‘the ENHR movement’ developed at country level (i.e. reports from ENHR committees and working groups). Also included are more general reports on health research (policy) from various countries (not a direct link to COHRED). NOTE: this last group of reports can be taken out if needed.

1. **Document de base pour une politique de recherche nationale essentielle en santé au Burkina Faso**
Ministry of Health, Ouagadougou, 1996
2. **Actes du premier Symposium sur la Recherche National Essentielle en Santé au Burkina faso**
Ministry of Health & Ministry of Higher Education and Scientific Research, 1997
3. **Tracking Resources Flow for Health Research and Development in Burkina Faso (1999-2000)**
Dr Celestin Traore, Burkina Faso, 2003
4. **Priority Setting for Research in Health and Population: Bangladesh Experience**
ENHR, B Secretariat, Bangladesh, 1997
5. **The Essential National Health Research (ENHR) Strategy**, Dr Monjur Hossain, Nuffield Institute for Health, Leeds, 1996
6. **Proceedings of the Workshop on ENHR**, Dr. Yemane Teklai, Ethiopian Science and Technology Commission, Addis Ababa, 1998
7. **Capacities and competencies for health research in Ghana**, Accra, 1999
8. **Development of innovative North-South research partnerships: overcoming difficulties**
Learning Brief No 2001/1, COHRED, Geneva, 2001
9. **How can we act on information we don't have? Information and communication needs in health policy decisions in Ghana**, *Learning Brief 2001/4*
10. **Identifying capacities: Country analysis Ghana and Uganda**, COHRED,
11. **Policy Guidelines for Strengthening Research to Support the Medium Term Health Strategy in Ghana**, Ministry of Health, 1998
12. **Policy Guidelines for Strengthening Research to Support the Medium Term Health Strategy in Ghana**, Ministry of Health, 1998
13. **Atelier de réactualisation des priorités nationales en matière de recherche en santé en République de Guinée**, *Conakry, 26-29 Avril 2000*
14. **Community participation in ENHR: the experience of Guinea**, *Learning Brief 2000/12*
15. **Health Research Management and Coordinating Mechanism in Indonesia**, *Policy document*, National Institute of Health Research and Development, Ministry of Health, Jakarta, 1988
16. **Indonesian Case Study in ENHR: An Essential Link to Equity in Development**, *Draft*, Center for Health Services Research, National Institute of Health Research and Development, Ministry of Health, Jakarta, 2000
17. **National Health Research System (NHR) in Indonesia: a Case Study**, *Draft*, Dr Agus Suwandono
National Institute of Health Research, MOH, Indonesia, 2003

18. **National Policy on Health Research and Development - Decree of the Minister of Health, Republic of Indonesia, Number 1179 A/Menkes/SK/X/1999**, *Policy document*, National Institute of Health Research and Development, Ministry of Health, Jakarta, 1999
19. **National priority and agenda for health research 2002-2005**, *By Application of ENHR Approaches*, National Institute of Health Research and Development, Ministry of Health, Indonesia, 2001
20. **Priority Setting for ENHR - The Indonesian Experience**, *Learning Brief No. 2000.4*, COHRED, Geneva, 2000
21. **Concept papers meeting for ENHR in Kenya**, *Executive Summary, Nairobi safari club 23-24 April 1997*
22. **Evaluation of ENHR in the Republic of Kenya**, *Report of the external review team, 29 November to 6 December 1999*
23. **Proceedings of the Second National Health Research Network Meeting**, Prof. E. N. Wafula NHRDC, Nairobi, 1996
24. **Research Capacity Strengthening in Kenya**, *An Overview of the Health Research Capacity Building Workshop, Mombasa, 13-16 September 2000*, National Health Research and Development Centre (NHRDC), Kenya, 2000
25. **Research capacity strengthening: creating demand for research in Kenya**, *Learning Brief 2001/2*, COHRED, Geneva, 2001
26. **Essential National Health Research Status in Lao PDR**, *Paper to be presented at COHRED Constituent Council, Bangkok 2000*, Dr Boungnong Boupha, Ministry of Health, National Institute of Public Health, Vientiane, 2000
27. **Priority Setting in LAO PDR**, *Country Report*, Dr Boungnong Boupha, Ministry of Health, Council of Medical Sciences, Vientiane, 1997
28. **The Implementation of the Essential Health Research Plan of Work in Lao PDR**, *Technical report*, Ministry of Health, Council of Medical Sciences, Vientiane, 1998
29. **The Current Status of Health Research Capacity in Lao PDR**, Dr Boungnong Boupha, Ministry of Health, Council of Medical Sciences, Vientiane, 2000
30. **Report on Priority Setting Workshop Essential National Health Research**, Malawi, 2001
31. **Premier symposium national sur la recherche en santé**, *Définition des priorités nationales de recherche en santé au Mali*, Ministère de la Santé, Institut National de Recherche en Santé Publique, Mali, 2001
32. **ENHR Priority Setting - lessons from Nepal**, *Learning Brief no 2000.3*, COHRED, Geneva, 2000
33. **National ethical guidelines for health research in Nepal**, Gopal P Acharya (ed), Nepal Health Research Council, Kathmandu, 2001
34. **Sachetana**, *Journal of Essential National Health Research Nepal*, Prof Mathura P Shrestha (editor) Nepal Health Research Council, Kathmandu, 1998
35. **Capacity development for health research in Pakistan: the effects of doctoral training**, Hyder A.A, Akhter T. & Qayyum A., Health Policy and Planning,
36. **Developing and strengthening the health research system in Pakistan**. *Learning Brief 2002/5*, COHRED, Geneva, 2002
37. **Developing and strengthening the health research system in Pakistan: Guidelines for action and operational plan 2001-2006**, Pakistan Medical Research Council, Government of Pakistan, Islamabad, 2001
38. **The seminar on health research priorities for Pakistan**, *February 26-27, 2001, Islamabad*, Pakistan Medical Research Council, Islamabad, 2001
39. **Analysis of the Funds Flow for Health Research and Development in the Philippines, 1997-1998** *Final Report*, Center for Economic Policy Research, Manila, 2000
40. **Essential National Health Research in the Philippines**, *The First Five Years 1991-1996* Dr Eufrazio Abaya, COHRED, Geneva, 1997
41. **The Philippine National Health Research System Assessment**, *Final Report*, Health Policy Development and Planning Bureau (Department of Health), Philippine Council for Health Research

- and Development (DOST), University of the Philippines (National Institutes of Health), Philippines, 2002
42. **Compte Rendu de la réunion sur la définition des priorités de recherche et la finalisation des statuts du réseau sous-régional Francophone de la RNES**, *Atelier de formation en méthodologie de recherche et développement de protocole de recherche: du 9 au 11 Aout 1999, CESAG - Dakar (Sénégal)*, Dr F. B. T. Diallo, COHRED, WHO, Ministry of Health Senegal,
 43. **Programme National de Recherche en Santé (PNRS)**, *Policy document*, Ministère de la Santé et de la Prévention, Direction des Etudes, de la Recherche et de la Formation, Senegal, 2001
 44. **Developing a health knowledge network: the case of SA HealthInfo**, *Learning Brief 2001/5*, COHRED, Geneva, 2001
 45. **Essential National Health Research South Africa**, *Workshop 14 February 1996*, Department of Health, South Africa, 1996,
 46. **Health research policy in South Africa**, *Policy document*, Department of Health, South Africa, 2001
 47. **Proceedings of the first ENHR Congress on Priority Setting**, *Edelweiss Functions Centre, November 14-15 1996, Pretoria, South Africa*, Directorate Research Coordination and Management, Department of Health, Pretoria
 48. **Setting priorities for health research**, *Experiences from South Africa*, M Schneider, Medical Research Council, Tygerberg, 1998
 49. **The setting of health research priorities in South Africa**, Michelle Schneider, Medical Research Council, Burden of Disease Research Unit, South Africa, 2001
 50. **Health research policy - Khartoum (Sudan) -June 1999**, *Policy document*, Research Directorate Sudan and WHO,
 51. **Priority setting and advocacy workshops in Sudan**, Ministry of Health, Research Directorate, Sudan, 1999
 52. **Building Health Research System for Positive Health: A Crucial Component of Health System Reform in Thailand**, *Paper for the parallel session 'A National Health Research System - the Thai Case', International Conference on Health Research for Development (Bangkok, 2000)*, Dr Somsak Chunharas Bangkok, 2000
 53. **Essential National Health Research (ENHR): An Essential Link to Equity in Development , Thailand Experience ,** The College of Public Health, Chulalongkorn University , Bangkok, 2000
 54. **Resource Flows for Health Research and Development**, *Thailand Agenda for Health Research and Development, Final Report Phase 2*, Dr Sathirakorn Pongpanich, The College of Public Health, Chulalongkorn University , Bangkok, 2000
 55. **Coordinating health research to promote action: the Tanzanian experience**, Dr Andrew Y Kitua, British Medical Journal, London, 2000
 56. **Developing health research capability in Tanzania**, *From a Swiss Tropical Institute Field Laboratory to the Ifakara Centre of the Tanzania National Institute of Medical Research*, Dr Marcel Tanner, Acta Tropica,
 57. **Final Report Essential National Health Research**, *Seminar on the formulation of a national forum for health research in Tanzania. Dar es Salaam, 1st and 2nd December 1998*, ENHR secretariat, National Institute for Medical Research, Dar es Salaam, 1998
 58. **Fund Flows to Health Research Institutions in Tanzania: Core and Research Funding**, Kitua A.Y., Swai G.B.R & Urrio T. ,Tanzania National Health Research Forum, Tanzania, 2002
 59. **Guidelines on ethics for health research in Tanzania**, Tanzania National Health Research Forum, Tanzania, 2001
 60. **Health research cooperation with Tanzania**, *A review of the present and prospects of the future A consultancy report*, Mutuma Mugambi, Sida, Sweden, 1996
 61. **National Institute for Medical Research and the other side of health research: research coordination, monitoring and promotion ,** M.N. Malecela, Tanzania Medical Journal, Dar es Salaam, 2001

62. **Report on a Consultative workshop on Tanzanian Health Research Capacity Development, Paradise Holiday Resort, Bagamoyo, 26-29 January, 2000**, Dr M N Malecela, National Institute for Medical Research, National Health Research Forum Secretariat, Tanzania, 2000
63. **Tanzania - re-orientation of the ENHR mechanism to reinforce partnership, Learning Brief 2000.1**, COHRED, Geneva
64. **Tanzania Essential National Health Research, Priority setting Workshop, Arusha International Conference Centre, 15-21 February 1999. Final Report**, ENHR secretariat, National Institute for Medical Research, Dar es Salaam
65. **A report of the workshop on Role of Health Research in the implementation of Health Sector Strategic Plan (HSSP) , 26-27 March, 2002**, UNHRO, Kampala, 2002
66. **An analysis of Uganda's Capacity for Essential national Health Research, May 1998**, Griet Onsea, Uganda National Health Research Organisation, Kampala, 1998
67. **An analysis of institutions doing health research in Uganda - year 2000**, Uganda National Health Research Organisation (UNHRO), Uganda, 2000
68. **Data for health research planning and development in Uganda, Learning brief 2002/2**, COHRED, Geneva, 2002
69. **Guidelines for conducting health research involving human subjects in Uganda**, Uganda National Health Research Organisation, Uganda, 2000
70. **Report on Priority Setting in Cameroon**, Sama M., Nting J., Penn R. & Teyha P. , Cameroon, 2002
71. **National essential research in the context of the national health research system Workshop report**, Ministry of Public Health, Cuba, 2001
72. **A Profile of Health Research in Jamaica 1991-1995.,,Essential National Health Research Task Force** Dr Peter J Figueroa ,,West Indian Med J, 1998
73. **Directory of Health Research Groups in Jamaica**, ENHR Task Force, Jamaica, 1996
74. **Report on the Activities of the Jamaican ENHR Task Force**, ENHR Task Force, Jamaica, 1996

Regional reports (since 1996):

1. **Rapport de la rencontre sous-regionale de Ouagadougou, 26-28 Février 2001, Réseau Francophone Africaine de la Recherche en Santé pour le Développement**
2. **Compte Rendu de la réunion sur la définition des priorités de recherche et la finalisation des statuts du réseau sous-régional Francophone de la RNES, Atelier de formation en méthodologie de recherche et développement de protocole de recherche: du 9 au 11 Aout 1999, CESAG - Dakar (Sénégal)**, Dr F. B. T. Diallo, COHRED, WHO, Ministry of Health Senegal,
3. **Rapport de la 6ème rencontre annuelle, 28-29 Mai 2002, Réseau francophone Africaine de la recherche en santé pour le développement**, Benin, 2002
4. **Report of the Third African Essential National Health Research Network Meeting, 29 September to 4 October, 1996, Kampala, Uganda**, African ENHR Network and COHRED, Uganda, 1996
5. **Report of the Fourth African Essential National Health Research Network Meeting, 5-7 October, Arusha, Tanzania**, African ENHR Network and COHRED, 1997
6. **Report 5th African ENHR Network Conference, Accra, Ghana, 5-7 October 1998**, ENHR Focal Point African region, Uganda, 1998
7. **Proceedings of the first African conference on health research for development, 19-23 September 1999, Zimbabwe**, In conjunction with the 6th African networking meeting for Essential National Health Research, African regional ENHR focal point, Zimbabwe, 1999
8. **Proceedings Planning Meeting of the Task Force for the Asian ENHR Network, July 31-August 2, 1996, Manila, Philippines**, ENHR Philippines and COHRED, Manila, 1996

9. **Status of the Essential National Health Research in Asian Countries**, Focal Point Asian ENHR Network, ENHR Bangladesh Secretariat, Dhaka, 1996
10. **Proceedings: 3rd Asian Regional Meeting Essential National Health Research**, *December 11-12, 1998, Vientiane, Lao PDR*, ENHR regional network, Vientiane, 1999
11. **Report of Asian-Pacific Forum for Health Research Development**, *November 13-15, 2001, Bali, Indonesia*, The College of Public Health, Chulalongkorn University, Bangkok, 2001
12. **The Asian Voice in building equity in health for development - from the Asian Forum for Health Research, Manila, February 2000**, Sitthi-Amorn C., Pongpanich S., Somrngthong R., Likitkirirat T. & Likitkirirat P. , Health Policy and Planning
13. **Regional Workshop to Launch a Central and East European Network on Essential National Health Research**, *Budapest, Hungary, June 20-21, 1996*, Budapest, 1996
14. **Summary Report on the Workshop of the Central and East European Network on Essential National Health Research**, *Balatonlelle, 9-14 November, 1997*, Budapest, 1997

Country reports of consultative processes in preparation for International Conference on Health Research for Development (Bangkok 2000):

Note: these consultations were held as part of the preparations for the Bangkok conference. COHRED, as secretariat to the conference, was in charge of organising and conducting the consultations.

1. Health Research for Development in Benin - a Summary
2. Health Research in Burkina Faso - a Summary
3. Health Research in Côte d'Ivoire - a Summary
4. Analytic Overview on Health Research in Islamic Republic of Iran
5. Consultative Visit to Egypt - a Summary
6. Consultative Visit to Sudan - a Summary
7. Essential National Health Research in South Africa: Towards National Consensus Building in Health Research
8. Health Research Capacity in Pakistan
9. Health Research Development in Cameroon, A Historical Perspective
10. Health Research Profile of Lithuania
11. Health Research for Development in Burundi - a Summary
12. Health Research for Development in Guinea - a Summary
13. Health Research for Development in Mali - a Summary
14. Health Research for Development in Mauritius - an Historical Perspective
15. Health Research for Development in Senegal - a Summary
16. Health Research in Egypt - a Country Report
17. Health Research in Ethiopia - a Country Overview
18. Health Research in Hungary
19. Health Research in Kazakhstan
20. Health Research in Lebanon: A Country Report
21. Health Research in Nigeria - a Summary
22. Health Research in Romania
23. Health Research in Sudan
24. Health and Health Research in the Russian Federation: A Historical Perspective and a Forecast
25. Initiatives of Uzbekistan in Medical Scientific Research and Reforms
26. Kenyan Consultative Process on Health Research - a Summary
27. National Survey of Health Research for Development in Tanzania - a Summary
28. Rapport sur la Recherche en Santé en Tunisie
29. Report on Health Research in Jorda
30. Situation Analysis of Health Research in Cameroon
31. Status of Health Research for Development in the Sultanate of Oman

Regional reports of consultative processes in preparation of the International Conference on Health Research for Development (Bangkok 2000):

1. Francophone Inter-country Meeting in Bamako
2. Regional Consultative Process Africa
3. Regional Consultative Process Asia
4. Regional Consultative Process Caribbean
5. Regional Consultative Process Central and Eastern Europe and Newly Independent States
6. Regional Consultative Process Eastern Mediterranean
7. Regional Consultative Process Latin America
8. Regional Consultative Process, Regional Report Summaries
